

Why should YOU join our
Square Foot Club?

It's a great group of generous,
compassionate people who consistently
mail in a simple donation of \$48.00 every
time a happy partner family moves into
their new Habitat for Humanity home in
Grayson County. Your donation will
provide construction costs for one square
foot of the NEXT Habitat home, so we
can get started changing the lives of the
next eagerly awaiting family!

Habitat for Humanity of Grayson County builds homes in partnership with local, low-income families in need of safe, decent, affordable housing. The families put in up to 350 hours of **"sweat equity" building their own home and those of other partner families.** Then the families make a down payment as well as monthly payments on their 25-year, interest-free mortgage. **The impact on the 100 individuals we've already served is deep. Children are** allowed to grow up in a safe, comfortable, stable home, making lifelong friends and establishing deep roots in our community. Partner families build relationships with their **neighbors, and God's love is shared between volunteers, families, neighbors and donors.** Join in the fun! Learn more about this great ministry on our website: www.graysonhabitat.org.

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has." Margaret Mead

-----Please detach and mail in with your payment-----

Yes! Sign me up to be a member of the Square Foot Club! I want to make a positive difference in the lives of my Grayson County neighbors, one family at a time.
